Policies & Space Restrictions

Our priority is providing you with an outstanding event experience while respecting that Glenbow is a Class-A museum environment. With over one million artifacts and artworks housed at Glenbow, we tightly control interior temperature and humidity to maintain the safety and integrity of our exhibitions and collections. To ensure we protect the invaluable art and cultural artifacts at Glenbow:

- *No food or beverages are allowed into gallery spaces – we utilize signage and security staff to ensure guests are aware of these restrictions.*
- *No open flames of any kind.*
- *Floral arrangements or other organic décor items are not recommended. They must be inspected by our pest control department and we cannot guarantee they will be permitted in even after inspection.*
- *Catering vendors must be selected from the list of pre-approved Glenbow preferred caterers.*
- *Caterers and/or the client are responsible for providing the liquor license for the event.*
- *If music will be a part of the event the client is responsible for all SOCAN fees. Please visit socan.ca for more information.*

Special Considerations for Weddings & Wedding Photos

A wedding at Glenbow can be particularly unique, not to mention the opportunities for dramatic photos amongst our permanent exhibitions on the third and fourth floors. If you are considering Glenbow as a venue please keep in mind our policies regarding organic décor and open flames as noted in the Policies & Space Restrictions.

Photography is generally encouraged throughout the museum, however there are occasionally exhibitions where photography is prohibited, due to either copyright issues or artifact sensitivity. These areas will be clearly marked. Let us know if you have any questions about exhibitions details and photography permissions before your event.
